630-624-6740

HillKA28@uww.edu

*Seeking to further my education at the University of Wisconsin-Milwaukee by obtaining a Master of Science in Information Science & Technology.*

## **EDUCATION:**

**University of Wisconsin - Whitewater**  
**Bachelor of Science - Computer Science**

Graduated: May 2018

Website Development and Administration Certificate

Undergraduate Research: Wireless Communications

## **TECHNICAL SKILLS:**

Most experienced with: JavaScript/JQuery, Angular, C#, HTML, CSS/Bootstrap, Razor Views

Some experience with: C++, SQL, ASP.NET/Entity Framework, PHP, TypeScript

## **EXPERIENCE:**

**Front-End Web Developer**  
**University of Wisconsin - Whitewater, Whitewater, WI**

February 2018 – Present

- Developing new web applications based on elicited user requirements
- Maintaining existing web pages and applications based on user feedback
- Redesigning web pages and applications to give them an updated modern look

**Web Development Intern**  
**Spectrum Health, Grand Rapids, MI**

May 2017 – August 2017

- Collaborated with a group of senior-level developers to restructure an online Medicare Enrollment application, which is used by over 200,000 individuals each year.
- Gained hands-on experience incorporating innovative user experience into web development.
- Constructed Karma unit tests to check my work and maximize code coverage.

**Custom Software Engineering Intern**  
**Skyline Technologies, Waukesha, WI**

May 2016 – August 2016

- Contributed to a large team by developing a registration application for the annual US Venture Golf Open, which raised \$1.2 million dollars to help fight poverty in Wisconsin.
- Applied Agile Scrum methodologies to estimate development time.
- Adapted my development to meet the project owner's changing needs.

## **ACCOMPLISHMENTS:**

- Published a Google Chrome extension with over 1,300 active users to aid the visually impaired
- Current head coach of the UW-Whitewater forensics team (competitive public speaking)
